PRINCIPAL'S MESSAGE

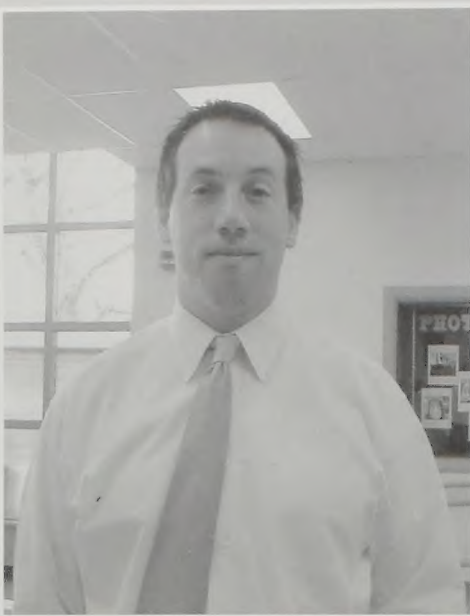

MEMORIES 2007 CAPTURES THE ESSENCE OF WHO YOU WERE, WHO YOU ARE, AND WHO YOU WILL BE. WHEN YOU WANT TO TAKE A SENTIMENTAL JOURNEY, THIS BOOK WILL GIVE LIFE TO YOUR MEMORIES. OF COURSE THESE PAGES CANNOT TRULY REPRESENT ALL THAT HAS OCCURRED IN FOUR YEARS, BUT IT IS A WONDERFUL COLLECTION OF WHAT HIGH SCHOOL IS ALL ABOUT.

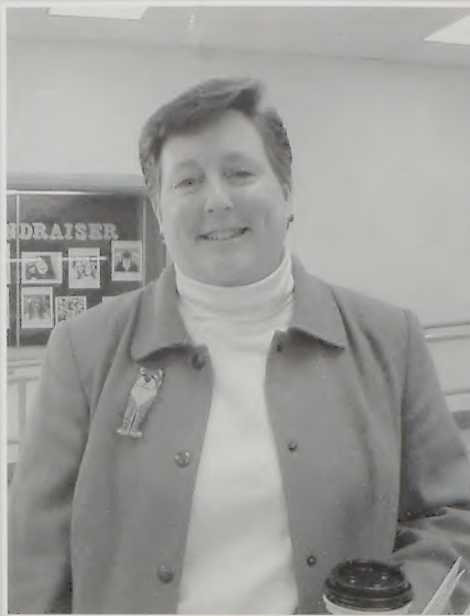

KEEP THIS YEARBOOK WITH OTHER TREASURED MEMENTOS. THERE WILL BE TIMES WHEN, LIKE AN OLD FRIEND, IT WILL PROVIDE COMFORT AND LAUGHTER. LOOK FORWARD TO CREATING YOUR OWN PERSONAL YEARBOOKS- FILLED WITH ALL THE ADVENTURES THAT AWAIT YOU - BUT KNOW THAT IT WILL ALWAYS BE 2007 HERE.

Biehl, Kat
 Dear Kat,
 "Special" is a word that is used to describe something one-of-a-kind like a person who spreads love with a smile or a kind gesture. "Special" describes people who act from the heart and keep in mind the hearts of others. "Special" applies to someone that is admired and precious and who can never be replaced in the lives they touch. "Special" is the word that best describes you. Words cannot express how proud I am of you for the person that you choose to be and all of your accomplishments. I love you and want you to know that being your mother has been one of my greatest joys

Dear Chris,

Your eagerness to arrive in this world before we could get to the hospital has continued. Energetic as a child, we all struggled to keep up with you. These traits, along with the kindness and generosity you possess, will help you succeed as you continue on life's journey. I am extremely proud and Dad smiles down on you too. Congratulations!

Love Mom.

Wilson, Janet

To Our Angel,

We are so proud of you! We have watched you grow from our little angel into a beautiful young lady. You are sweet, caring, compassionate and smart. We will always be behind you and wish you all the best as you take your next step in life. It seems like the first day of preschool was only yesterday. Remember, like your mother, small children, and dumb animals!

**"I GET BY WITH
A LITTLE HELP
FROM MY
FRIENDS"**

SENIOR CLASS OFFICERS OF 2007

Dear Class of 2007,

These past four years have gone by so fast. As many times as we sat down and thought, "I can't wait to get out of here", we will double that thinking "I really miss that place." All the friendships that we made throughout this time will be tested as we all go our different directions, but I see the strength in everyone to keep them together. I am sure it has been said to everyone a thousand times but it never hurts to reiterate it, don't settle for anything. Keep pushing yourself and accepting nothing but your best. Vince Lombardi once said, "The difference between a successful person and others is not a lack of strength, not a lack of knowledge, but rather a lack of will." Each one of us has that will, and years down the road I anticipate seeing greatness in what we all become.

In the mean time never forget the great times with all the friends you've made at Marple Newtown. I am very thankful for the opportunity I had this year as your president, and I wish you all the best. Good luck and God speed.

Joe Carney
Senior Class President

Dear Class of 2007,

Even though we thought high school would never come to an end, it is finally here. It is hard to believe its time for us to go our separate ways. I am thrilled to have had the opportunity to be your class secretary for the past two years. I truly will miss everyone and all the experiences we have had over our high school career. I would like to thank all the class officers, who have made our last four years amazing, and also our class advisors, Mrs. Brodsky and Mr. Jaspersen. Without their commitment, these past two years wouldn't have been nearly as great. I would also like to thank the class of 2007. Without all of your participation and helping hands, we wouldn't have been as successful as we were. Congratulations to all of you and good luck in the future!

Amy Todd
Secretary

Wow . . . it's 2007 . . .

I don't know what to say. It seems like we just got here and now it's time to go face the world as graduates. Each and every one of you should be proud of your accomplishments at Marple Newtown because they are the basis for truly incredible things that you will do. It is a relief to know that we made it, but I don't think any of us are truly ready to leave. To my fellow officers (Joe, Amy, and Nat), Mrs. Brodsky, and Mr. Jaspersen: thank you so much for tolerating my craziness. I could not have done a thing without your continued support and incredible talents. You rock.

Most of all, I want to thank you, Marple Newtown Senior Class of 2007 (that sounds fancy when I say it like that), for your cooperation and kindness. In all honesty, I would not have changed a thing about these past four years. I can only hope

that you enjoyed your high school experience, because it has made you the mature, capable adults that you are. I was very lucky to have had you behind me, and I hope that Marple Newtown has made as positive an impact on you as it has on me. I know that all of you will rise to the greatness, and it is finally time to show the world what you've got. Always
Wil Santivasi

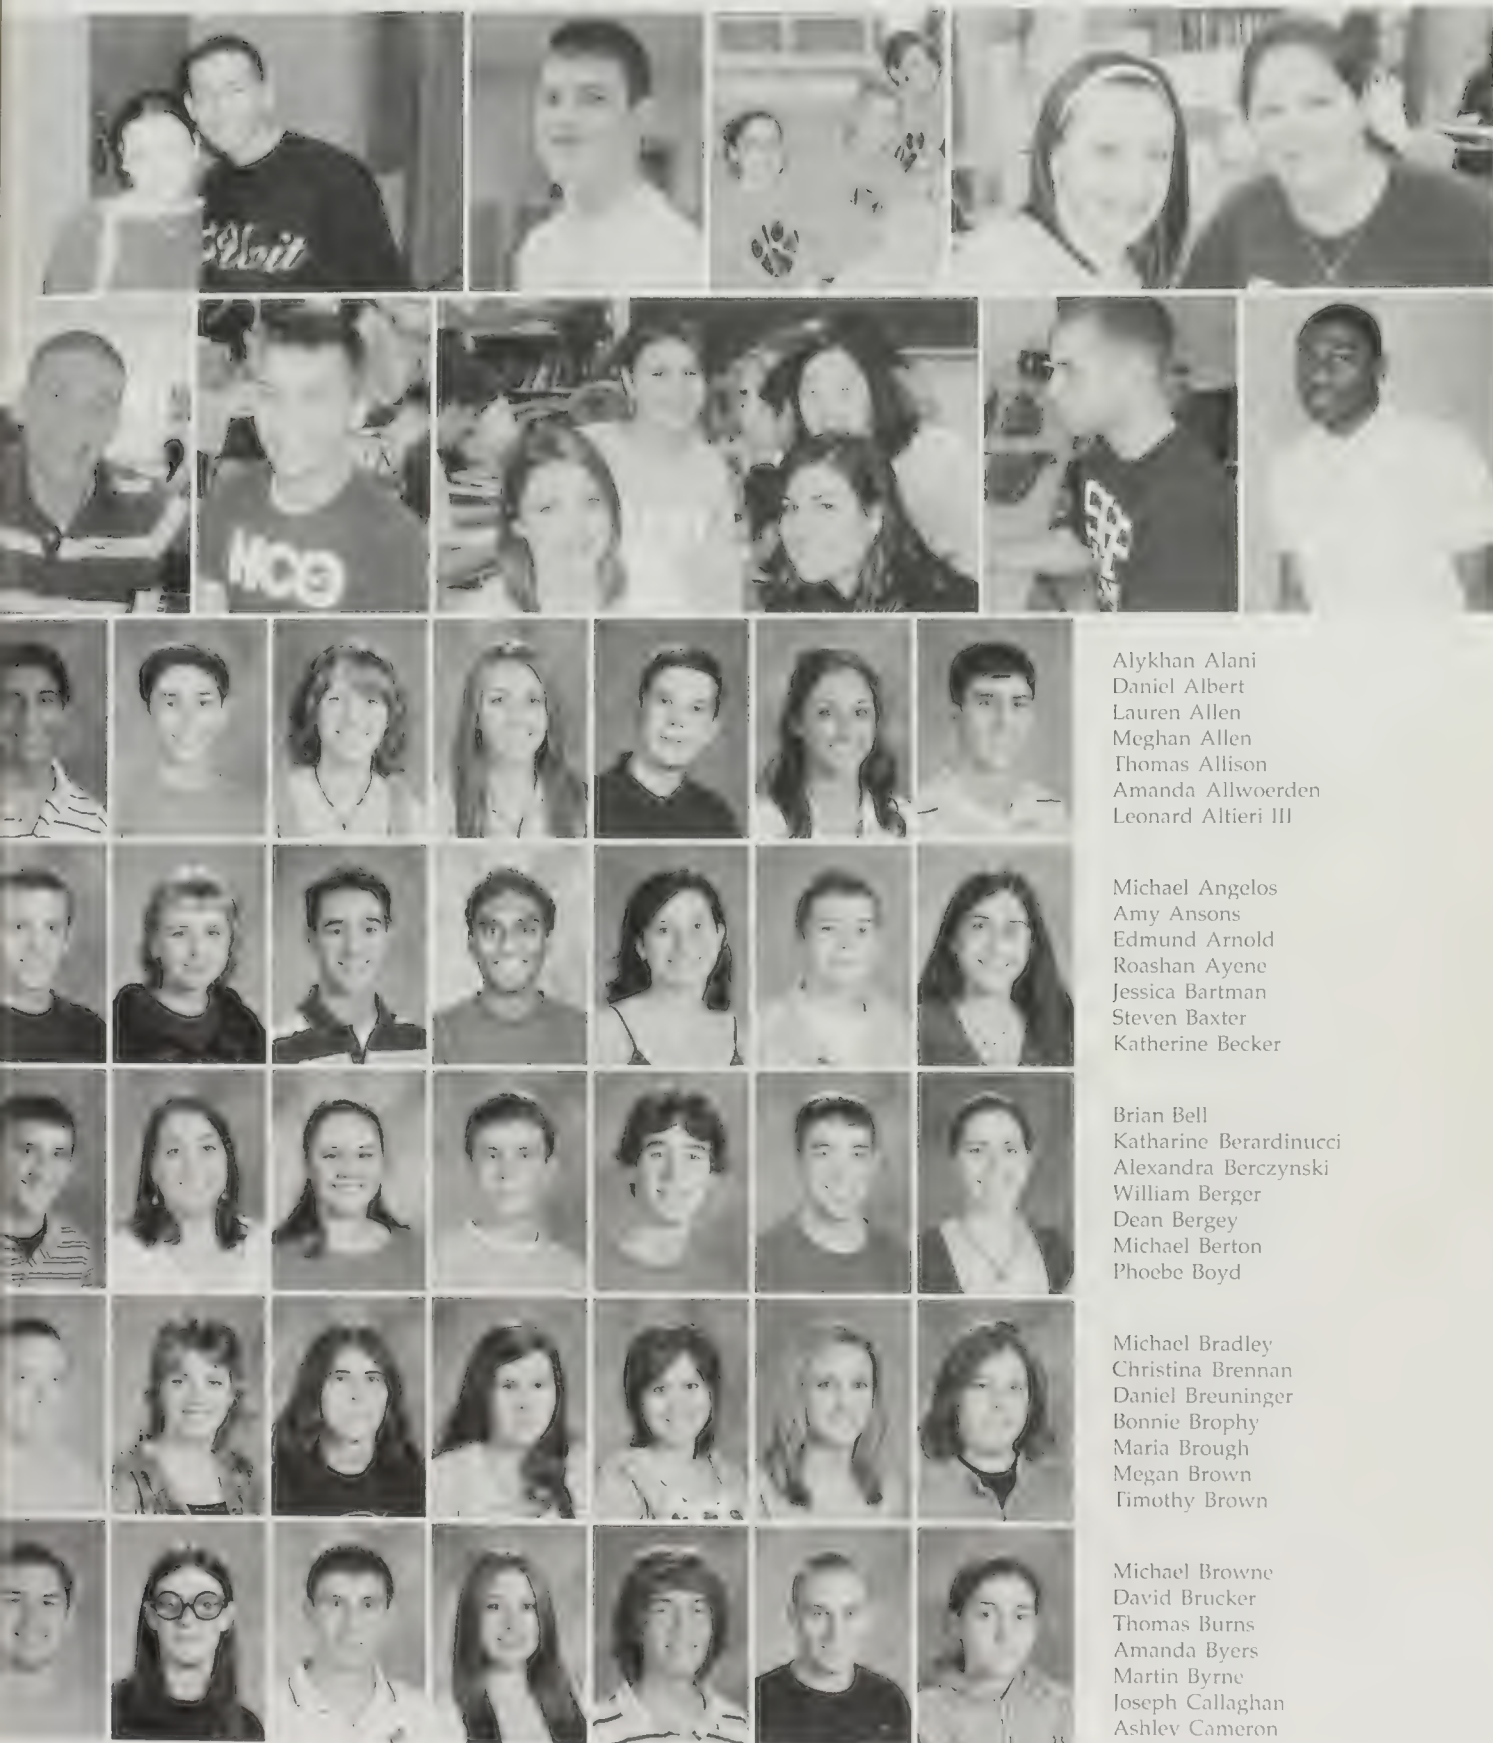

To the class of 2007,

"May the dreams of your past, become the reality of your future." It is hard to believe that our high school years together are coming to a close. Thank you very much for allowing me to serve you for my junior and senior year. I truly enjoyed being your treasurer and Vice President. I would like to thank previous members

that I have worked with, Sam and Jake. I'm glad I had the opportunity to work with you two. Amy, Joe, and Wil . . . we are all very different but I think that is what made us the officers that we became. Our years as officers would not have been the same if it wasn't for the infamous pair of Mr. Jaspersen and Mrs. Brodsky. Thank you for the laughs, your hard work, and true dedication to the class of '07. Finally, to the class of 2007, our craziness definitely made us a class to remember. I am glad our spirit rose bringing us closer as we grew older. I wish each and every one of you the best of luck in all of your future endeavors. Thanks again.

Love always,
Natalie Iannucci

The Yearbook Staff would like to thank everyone who helped make "Memories 2007" possible. Thank you to Mr. Bill O'Brien, his team at Jostens, and Barksdale Studios. We would also like to thank Mr. Williams for all his guidance, support, and encouragement this year. Thank you to all the community sponsors as well.

FROM THE

For the past eight months, it has been the editors' job to create a book that would sum up the 2006-2007 school year. I believe we have created such a book. I never knew what it took to make a yearbook until I became a co-editor-in-chief. Actually, being an editor was not as hard as previous editors made it out to be. The stressful times were right before a deadline, but we managed to get the job done. *Kristen A.*: Things started out rough, but we were able to get past that. The financial end of this was all you. Good luck next year. *Kristen G.*: We've worked together on this and on student council. You have had so much going on this year and still you worked so hard on this. I wish you the best in whatever you do. *Hana*: You kept me sane because you were as stressed out as I was. We put forth our best effort and produced this amazing book. Thank you is the only thing I can think of to say to you. Your future is very bright so always reach for the sky. *Erica and Meg*: Thank you for all your help. Good luck on next year's book and in your futures. *Mr. Bill O'Brien*: Thank you for your guidance and all of your help. Without you, none of this would have been possible. *Anne*: You are a lifesaver. You saved the day by delivering those couple of things to the school in the horrible weather. Thanks so much. *My family, my boyfriend, and my friends*: Thank you for being there for me and putting up with me when I was in a bad mood or stressed out. I love you all. *To the class of 2007*: Cherish this book and never forget your high school days. Thank you for the memories. Best of luck in wherever life takes you. *Mr. Williams*: I cannot put into words how much I thank you for what you have done for me this year. You were always there for me in the good times and the bad. You were more than a teacher to me, you were my friend. My only goal for the past eight months has been to create the best yearbook that I could. I succeeded in that goal. Mr. Williams, after eight months, life is good.

Jordyn L. Agostini

Jordyn L. Agostini
Co-editor in chief

Looking back on the past eight months and all that it has taken to create this year's yearbook, it is hard to believe our goal has been reached. When I first took on the responsibility of being one of the co-Editors in Chief, I did not know what to expect. Previous yearbook editors told me that it was a very difficult task but I never fully realized the truth of this until we were faced with our first deadline. Even when you think everything is running smoothly something always pops up and then comes in the last minute stress. For the most part though, the hours upon hours that I have put into this yearbook will not only be worth it when we see the finished product. The work has taught me how to become more organized and responsible, but most importantly to work with other people to reach one common goal. Overall, being part of this yearbook has been a great experience. To Mr. Williams; When there was yearbook trouble, you were always there to help. When there was any type of trouble, you were always there to help. To me, you are not only our amazing teacher who I enjoyed learning from everyday, but also a friend who I will deeply miss. Thank you for all that you have done for me this year. (Doc.) To my co-Editors; Wow, I can't believe we're done!! Even through the many conflicts we've had, I can truly say it's been great working with all of you. Kristen G; Obviously Saladworks, Starbucks and personal cakes at my house were a lot of fun & contributed greatly to the yearbook process, but our teamwork topped all of these. I could always count on you not only when I needed help with my own part of the work, but also to be my friend. When you

put in stressful situations, it's easy to disagree but you and I never did. I can honestly say I would have never finished this yearbook if it wasn't for you. Thanks for everything, love you! Kristen A; You were the only one of us who knew how to handle all the financial aspects of this yearbook, without your help we would not have a single ad! I thank you not only for the help you've put into the yearbook, but also for being a great friend. Although it doesn't seem like it, I appreciate the times you pulled me out of your house to go to Starbucks when I was upset, love you! Jordyn; I can honestly say I could always count on you with organization and getting things done. You have not once let us down. Thank you for all of your time. Good luck next year in Florida you lucky girl! To the Junior Editors; Thank you for all of your help and dependability, good luck with making your own yearbook next year! And finally, to the Class of 2007: This yearbook may not be perfect, but we tried hard to make it close. These past four years have been a lot of fun and it was an honor to be able to capture them in this yearbook. I hope all of you can look through it and remember the cherished memories of your High School years. I wish all of you the best of luck with whatever you chose to do in the future and I will truly miss you all. Thanks for the memories =]

Sincerely,

Hana Horakova

EDITORS . . .

Taking on the responsibility of being the 2006-2007 Yearbook Co-Editor in Chief was much more work then I could have ever expected. As an underclassman I had always planned on receiving the yearbook duty and always looked forward to it. What I seemed to overlook was all of the difficult assignments and strenuous hours. Despite the lengthy days and mistakes, it has taught me a lot about myself, how to work and compromise with people, responsibility, and time management. I am proud of myself as well as my fellow co-editors for the amount of hard work put into this book of endless memories. Kristen Amoroso: Your constant organization when it comes to financial endeavors has helped with the entire process of making this yearbook. I wish you the best of luck in whatever you decide to do; you have been a great person to work with and a great friend, thanks for all the memories. Love you. Jordyn Agostini: You're a person who is so reliable and true to yourself. Thank you for all of your hard work and dedication to this yearbook. We have truly started to work as a team. Good luck in whatever you set your heart on! Hana Horakova: Without question, you have done the most work on this yearbook, and along the way you have never complained.

Endless hours of salad works and yearbook, as well as personal cakes and yearbooks were annoying as well as hilarious. Thank you for all your hard work and dedication as well as being there to pick up all of our slack. Good luck in whatever you do, and thanks for being a true friend. Love you. The Junior Editors: All of your help was so appreciated! The little things are what help the most! Thanks again and good luck in you yearbook journey next year! Mr. Williams: Never has one individual taught me so much about the world and myself the way you have. You have opened my eyes to the way life really is; I truly appreciate you for that. You have not only been a fabulous teacher, and advisor, but a friend. Thank you for the endless advice and thank you for sitting and staring with me when I needed it the most! Class of 2007: I hope you truly appreciate the hard work and dedication put into this yearbook. We all did our best to make it the best one possible. It has been a pleasure spending these many chapters of my life with all of you. It is now time for us all to move on to bigger and better things, but hopefully with this yearbook we can always remember the wonderful times we have all had together. I wish each and every one of you good luck in your future endeavors. I'll miss you all! Enjoy!!

Love Always,

Kristen Gallagher

Kristen Gallagher

Co-Editor in Chief

When given this responsibility, I figured that we would have it easier than most in the past seeing that there were four of us. However what I had not realized was that we were four people with *sooo* many different opinions and conflicting schedules. Although at times this problem seemed to get the best of us, we worked through it and created what I believe to be (and hope all of you do to) an incredible yearbook. It goes without saying that without my co-editors this yearbook would never exist. To Jordyn, Kristen and Hana thanks for everything from your hard work to your forcing me into making layout after layout. I have learned so much about two good friends I thought I already knew and a lot about a person I've never really had the chance to get to know. Hana, from our picture printing trips, the Starbucks nights, and of course the fights that lead to the "hmm . . . I think I'll just work on this at home . . . by myself" times, this has been a great experience. Jordyn, you were always dependable and kept us on our toes when some of us (usually me) didn't even know when the deadline was. And last but not least, Kristen, my referee when me and Hana got out of hand, the Starbucks nights and CVS trip, the one who kept working through all the drama. THANKS to all of you! To Traci and , our sports editors, and also to the junior editors, Megan and Erica, thanks for your willingness to help wherever you were needed. Mr. Williams, thank you for all your help and mediation throughout these past 8 months, someone may have been severely injured if it wasn't for you. Mrs. Rich thanks for allowing us to vent about all our issues and for helping us resolve every single one. Mr. Bill O'Brien, thank you for answering all of our questions and for helping us turn our layouts into our very own yearbook. Finally thanks to the class of 2007 for making all of the memories that went into this book, I hope they are ones you never forget.

Sincerely,
Kristen Amoroso

Will we think about tomorrow like we think
about now?

Can we survive it out there? Can we make it
somehow?

I guess I thought that this would never end
And suddenly it's like we're women and men
Will the past be a shadow that will follow us
'round?

Will these memories fade when I leave this
town

I keep, I keep thinking that it's not goodbye
Keep on thinking it's a time to fly

And as we go on, we remember
All the times we've spent together.
And as our lives change from whatever,
**WE WILL STILL BE
FRIENDS FOREVER.**
